The Board of Directors of "MOTODYNAMICS S.A.", (hereafter the "Company"), announces the following:

The Extraordinary General Meeting of the Company's Shareholders (hereafter the "EGM") held on 26 October 2010 decided to increase the Company's share capital by 3,835,000 Euros in cash and the issuance at a subscription price above par of 6.500.000 new common registered shares (hereafter the "New Shares"), of a nominal value of 0,59 Euros each, granting pre-emption Rights in favour of the Company's existing shareholders at a subscription ratio of 3 new shares for every 13 existing ones (hereafter the "Increase").

The difference between the Offer Price and the nominal value of the New Shares, which in case of full subscription of the Increase shall amount to the aggregate amount of 65.000 Euros, will be credited in accordance with the law and the Company's Articles of Association, to the "Paid-in surplus capital" account.

Following completion of the aforementioned share capital increase, and in the event of its full subscription, the Company's share capital will amount to 6.785.000 Euros divided into 11.500.000 common registered shares, of a nominal value of €0.59 each. On 12.11.2010, the decision with reference number K2-10441/2010 of the Minister of Development, pursuant to which the aforementioned share capital increase in cash has been approved, was registered with the Register of the Societes Anonymes.

The ex-rights date is 3.12.2010. As from the same date (hereafter the "Ex-rights date"), the existing common registered shares of the Company will be traded on the Athens Exchange (hereafter "ATHEX") without pre-emption rights. From the Ex-rights date, the opening market price of the Company's existing shares on the ATHEX will be determined according to ATHEX Regulation and the provisions of the decision 26/17.07.2008 of the Board of Directors of the ATHEX, as it stands in effect.

The following persons (collectively referred to hereafter as the "Beneficiaries") will have a pre-emption right to participate in the Increase (hereafter the "Pre-emption Right"):

1) All holders of the Company's existing shares who shall be registered on the registry of shareholders of the Hellenic Exchange S.A. (hereafter "HELEX"), on the second business day following the Ex-Rights date, i.e. on 7.12.2010, provided that they maintain those rights when exercised; and

It is noted that trading of the Pre-emption Rights, will not be possible during the last four (4) business days preceding the last day of the Pre-emption Rights exercise period. The end of the trading of the Pre-emption Rights on the ATHEX electronic trading system shall be the closing of the session of 17/12/2010.

Such rights will be credited to the Securities Accounts of each Beneficiary's "Investor's Share" with the Dematerialized Securities System (hereafter the "DSS") on the date of commencement of their trading. Pre-emption Rights that will not be exercised up to the end of their exercise period, namely up to and including 23.12.2010, are abolished.

Any funds deposited but not used for the acquisition of Unsubscribed Shares, shall be returned to those having exercised their Oversubscription Rights, free from interest.

In the event that, at the end of the exercise period of the Pre-emption Rights, there are Unsubscribed Shares left, these will be allocated by the Company's Board of Directors at their discretion as mentioned in Article 13 par.8 of Law 2190/1920, otherwise the Share Capital of the Company will increase up to the amount actually subscribed for, corresponding to Article 13a of Law 2190/2910, as it stands in effect.
