## Outlook

2/11/2023 FY 2022 Results Presentation 19

# Motodynamics to reach new records whilst maintaining high profitability ratios

- We expect YTD trends to continue both top and bottom line
  - Pleet Sales profitability key unknown for the rest of the year
  - October RaC business shows prolonged season may continue into November
  - Minor impact of ongoing conflict in the Middle East
  - Increased interest cost to impact net income
- Seasonality of RaC and Yamaha businesses means most of our profitability has already been booked
  - Q4 historically our weakest quarter
  - Porsche sales and GP accelerating with new Cayenne deliveries ongoing
- Market is building back to "normal inventories" following supply chain normalization
  - We are seeing the first signs in the market of price pressure in land and marine units
